## ***School Budget Expenditures: Out of District Services***

### **OUT OF DISTRICT SERVICES**

#### **TUITION**

Magnet School (K - 12): We currently have students attending Regional Multicultural Magnet School (RMMS), Marine Science Magnet High School, Two Rivers Magnet High School, and Winthrop Magnet School. There are estimated to be 19 students at Magnet Schools in 2016-17. 16 of those students will be in grades K-8. 15 students were budgeted in 2015-16, which accounts for the increase. The district has capacity if the 16 students in grades K-8 wished to return to Salem. This would save the Town \$38,708.

Lebanon Vo-Ag (Grades 9 - 12): Anticipated tuition amount is for four students, based on anticipated enrollment.

SPED Placements (Pre-K – Grade 12+): Tuition costs are for 9 out of district placements for known students for a defined 10-month school year. \$217,860 in anticipated special education excess cost revenue has been used to offset these expenses. The budget calculation for the line item is total tuition - \$715,927 less Special education excess cost est. - \$217,860 equals line item budget \$498,067.

Extended Programs: Costs are for those special education students attending out of district schools who require more than a standard 10-month program or an extended school day program during the summer.

#### **TRANSPORTATION**

Magnet School (K – 12): Salem will not reimburse parents sending their students to Magnet Schools during the 2016-2017 school year.

Vocational Schools (Grades 9 – 12): Costs for transportation of high school students to Lebanon Vo-Ag, Grasso Tech, and Norwich Tech are included.

Special Education: Out-of-district transportation is provided for special needs students. Amount budgeted reflects the anticipated placements for 2016-2017.

#### **SPECIAL EDUCATION SERVICES**

Some out-of-district students may require any of the following services in a given year: tutors, evaluations, therapy, consultation, special supplies, equipment, or home bound services. Salem funds and provides these mandated services directly to Salem students. These expenses cover Magnet School students and those out placed at non-district facilities. We are not able to negotiate these expenses with the Magnet Schools. We must pay what is billed. 93% of these charges for 2016-17 will go to a K-8 Magnet School. These services are offered at Salem School to current students.
