School Budget Expenditures: Salem School (Pre-K through Grade 8)

SALEM SCHOOL (Pre-K through Grade 8)

SALARIES AND WAGES

Teachers: Includes Regular Education and Special Education teachers. Assumes 39.5 FTE, an increase of 0.2 FTE. \$ increases per contract.

Stipends: Money has been allocated to provide negotiated stipends per the certified contract. Includes \$3,158.00 for enrichment.

Substitutes: This amount is based upon projected needs for SY2016-2017. Currently, substitute pay is \$70.00 per day. This will include cost of interns for SY2016-2017.

Tutors/Aides: This includes funding for tutors and instructional aides paid by Board of Education funds. Out of the 16.8 FTE planned, 8.7 FTE will be paid using Board of Education funds, while the balance will be supported through grant funding. Increase reflects additional .4 FTE needed in Grade 1 and 0.8 FTE tutor not included in 2015-16 budget.

Custodians: This includes funding for 5.9 FTE, which includes the Head Custodian (1.0 FTE) and the Director of Facilities (0.4 FTE). Custodians are responsible for cleaning the school, town hall and library. Also includes funding for weekend maintainers who cover park and recreation activities.

Other Non-Certified Union and Non-Union Staff: This includes the positions of school secretaries, library aide and greeter/receptionist, who have a negotiated contract expiring 6/30/16. Cafeteria Aides: There are four aides who supervise the lunch/recess period. Increase reflects addition of the nurse, offset by the 0.6 FTE Instructional Technology Specialist moved to certified teacher in 2015-16.

BENEFITS

Health Insurance: The medical increase is 12% and dental is 5%. Premium shares are based on negotiated contracts. Balance of increase due to changes in the number of participants. Certified employees moving to HDHP and HSA in 2016-17.

Disability/Annuity/Ph.D. Stipend: This was the early retirement incentive in SY2014-2015. Not offered in 2016-17.

Social Security and Medicare: Cost is dependent on salary and wages.

SERVICES PURCHASED

Printing – School: Items such as letterhead and envelopes are included.

Health and Safety Inspections: Inspections of fire extinguishers, bus radios, radio/walkie talkies for use during recess and fire drills, elevators, and playground are included. Annual and quarterly water and air testing are also included. Also includes 6 month asbestos inspections, annual cross connection survey and septic testing.

Postage: Items that need to be mailed such as CMT scores, special education and 504 notifications and communication with parents are included. Increase is estimated at 3%.

Professional Fees – School: School affiliated memberships, such as CT Association of Schools, New England League of Middle Schools, CT Library Association, Association of Teachers of Math, Association of Supervision and Curriculum Development are included.

Software/Licenses: Student management and health management software licenses.

Office Services: This line item included the contracted nurse in the 2015-16 budget and the school secretary. These were filled by regular employees in 2015-16 and 2016-17.

LEARN – Other Services: Fingerprinting services and membership in the LEARN network are included.

SPECIAL EDUCATION SERVICES

SPED Consulting/Therapy and SPED Evaluations: Salem School students may require any of the following services: extended programs, tutors, evaluations, therapy, consultation, supplies, equipment or home bound services. Salem funds and provides these mandated services for identified students.

Extended Programs (Summer): Salem students may require extended day/yearly programs to avoid regression and sustain progress. Summer programs for students attending Salem School K-8.

Software/Licenses: Includes student management software for SPED and TAG as well as programs used as part of instruction program for special needs students.

Equipment: Anticipated expenditures for specialized equipment.

SPED Transportation (Pre-K through Grade 8): Some Salem School students, due to the nature of their needs, may require special transportation. These services are mandated by federal and state statutes.

School Budget Expenditures: Salem School (Pre-K through Grade 8)

PROGRAM IMPROVEMENTS

Curriculum Review/Development/Stipends: Stipends support the 5-year Curriculum Plan that targets Language Arts, Social Studies, Science, Mathematics, and the Unified Arts programs. These funds are used to reimburse teachers at a contracted rate. This reflects an increased need in 2016-17.

New Curriculum/Textbooks: Plan to purchase Social Studies curriculum.

Consulting Fees: This provides for contracted services of professional development in the implementation of Common Core and related content areas.

Instructional Technology: This item would provide new software for various curriculums.

STAFF DEVELOPMENT

Course Reimbursement: The amount budgeted is the Board's contractual obligation to partially fund course work for the professional staff.

Professional Development: In 2016-2017 these funds will be used for staff training in identified areas of need as indicated by school and district goals.

Professional Library: Funding is provided to purchase professional resource material for staff as indicated by school and district goals.

UTILITIES

Electricity: The 2016-2017 amount is based on projected rates. The estimated amount is based on projected actual spend for 2015-16.

Trash Removal: Includes funding for regular trash pick-ups for 2016-2017.

Telephone: Spending is estimated at a 1% increase over anticipated spend for 2015-2016. The additional increase reflects a decrease in e-rate funding which had covered a portion of our bill.

Heating Fuel: Amount budgeted is consistent with the level of use, which is approximately 35,000 gallons, at a price of \$1.93/gal. The Board of Education is a member of a municipal consortium that purchases heating oil co-operatively.

BUILDING MAINTENANCE

Plumber, Boiler /Cooling System, and Electrician: Costs to clean and maintain the heating and cooling systems is reflected.

Septic Cleaning: Cost for one pumping of the septic system per year as recommended by the Director of Health.

Ground Maintenance: Costs for upkeep of school grounds including playgrounds and track area.

Service Contracts: Contract costs for fire and smoke alarms, back-up generator, Simplex clock system, exterminator services, elevator maintenance, Energy Conservation Service Contract (ABS) and HVAC system and controls, and water operator. Increase is due to the switch to a full service maintenance contract in the elementary wings accounting for \$11,968.00. \$18,578.00 is additional monitoring costs for Sonitrol to monitor the additional cameras added as a part of the security upgrades.

REPAIRS

General Repairs: Money budgeted for unanticipated repairs.

Building Repairs: Money budgeted for specific repairs. Includes gym floor refinishing, general painting, and interior door repair.

Maintenance Equipment: Repairs of maintenance equipment.

INSTRUCTIONAL REPAIRS

Computers (Parts) and Band Instruments: Repairs of instructional equipment.

TRANSPORTATION

Bus Transportation: Transportation is provided to Salem School students using 9 buses. 67% of the annual contract is budgeted for K through Grade 8 transportation, while the remaining 33% appears under East Lyme High School (ELHS) in transportation.

Fuel: Diesel fuel is purchased co-operatively through a consortium with other municipalities. The amount budgeted reflects a price of \$2.00/gallon. This line reflects 67% of the fuel; the remaining 33% appear under East Lyme High School (ELHS). The estimated annual usage is 18,700 gallons.

Field Trips: Transportation for field trips will not be funded by the Salem Board of Education for 2016- 2017.

Sports: Transportation is provided to all away games and meets for 2016-2017.

Project Oceanology: Costs are for transportation to the environmental science program operated at Avery/Bluff Points.

MAINTENANCE SUPPLIES

Custodial: Cleaning and other miscellaneous supplies.

Uniforms: Uniforms provided to custodians. These is no longer a requirement of the non-certified contract, so there is no funding in 2016-2017.

School Budget Expenditures: Out of District Services

OUT OF DISTRICT SERVICES

TUITION

Magnet School (K - 12): We currently have students attending Regional Multicultural Magnet School (RMMS), Marine Science Magnet High School, Two Rivers Magnet High School, and Winthrop Magnet School. There are estimated to be 19 students at Magnet Schools in 2016-17. 16 of those students will be in grades K-8.

Lebanon Vo-Ag (Grades 9 - 12): Anticipated tuition amount is for four students, based on anticipated enrollment.

SPED Placements (Pre-K – Grade 12+): Tuition costs are for 11 out of district placements for known students for a defined 10-month school year. \$249,146 in anticipated special education excess cost revenue has been used to offset these expenses. The budget calculation for the line item is total tuition - \$860,000 less special education excess cost est. - \$249,146 equals line item budget \$610,854.

Extended Programs: Costs are for those special education students attending out of district schools who require more than a standard 10-month program or an extended school day program during the summer.

TRANSPORTATION

Magnet School (K – 12): Salem will not reimburse parents sending their students to Magnet Schools during the 2016-2017 school year.

Vocational Schools (Grades 9 – 12): Costs for transportation of high school students to Lebanon Vo-Ag, Grasso Tech, and Norwich Tech are included.

Special Education: Out-of-district transportation is provided for special needs students. Amount budgeted reflects the anticipated placements for 2016-2017.

SPECIAL EDUCATION SERVICES

Some out-of-district students may require any of the following services in a given year: tutors, evaluations, therapy, consultation, special supplies, equipment, or home bound services. Salem funds and provides these mandated services directly to Salem students.
